MAKE US YOUR FIRST CALL

Whether you simply need a single piece appraised, a pre-auction estimate for purchase or sale, an annual review for property taxes and business valuation, renewing a line of credit or full repo services — we have a solution to meet your need.

APPRAISAL SERVICES

▶ QUICK SHOT

When you just need answers for one piece at a time; written summary report provided within 48 hours, can be ordered directly from website, no field visit required.

▶ SNAP SHOT

Ideal for up to 25 pieces; includes written summary and detailed pricing for each piece, no field visit required.

▶ DESK SHOT

Any size fleet; includes comprehensive report with fleet analytics along with detailed values at the individual piece as well as a summary fleet valuation, no field visit required.

▶ FIELD SHOT

When your project demands in-field verification for any size fleet; includes comprehensive report with fleet analytics along with valuation detail and summary.

▶ FULL SERVICE

Full valuation realization service; includes repossession, valuation, transportation, clean-up and resale.

“Quite simply, Equipment Appraisers has helped us make money, save money and resolve problems. The depth of their experience and the breadth of their network makes them an invaluable partner for our business and our industry.”

—Lester Giacomini, LD Giacomini Enterprises Inc.

“Equipment Appraisers LLC is a valuable and trusted resource. They have been instrumental in helping me value my capital equipment and complete my personal estate plan.”

—Craig Hobday, Compaction Rentals
